

PERMISSION FORM

Dear Parents/Guardians,

We are delighted to inform you that Foxwell State Secondary College will be participating in the world-renowned ICAS Assessments™ this year.

ICAS is designed to target students' higher-order thinking and problem-solving skills. In 2021 students will have the opportunity to sit tests in English, Mathematics, Science, and Digital Technologies.

Each assessment celebrates students' accomplishments by providing opportunities for recognition and development. Every student will receive a printed certificate and an online results report. Top performers will be eligible for medals and are invited to attend special award ceremonies to have their academic excellence publicly recognised.

We encourage you to consider entering your child into ICAS this year. The assessments are suitable for students wishing to extend themselves academically and take up the personal challenge of competing in an international assessment, that has been running for 40 years. Your child will be presented with high-quality, expert-developed questions, allowing them to apply their learning without the need for prior study or revision.

ICAS Assessments are now online, a move that reflects a sector-wide transition to online assessments. This allows greater accessibility for students and faster delivery of results.
