

Can you put your hand up if you love prizes?

Wow, look at all those hands! That's awesome!

Well... guess what? This term we are hosting a Colour Explosion School Fun Run! Do you know what that means?

That means that anyone who fundraises \$10 or more, can win some REALLY cool prizes! We're talking bubblegum scented slime, Lenovo Tablets, Razor Hover Boards, PS4 Playstations and lots of other really wicked prizes.

Now, what do you have to do to win these prizes? You will be given a sponsorship booklet next week to help set up your online portal.

Then, you have to ask everyone you can think to sponsor you for our Colour Explosion Fun Run! The more sponsorships you get, the bigger your prizes can be! So get fundraising!

And, if you're the highest fundraising student in ALL of Australia, you can win a Razor Prize Pack worth \$4, 900! How cool would that be? Right?

Also, reach for the stars and win yourself a real life Monstar Bag Tag simply by achieving all online virtual badges. And there's also a special class prize which requires some teamwork. If your class creates the most online profile pages, each student will receive a Fundraising Monstar handball. How awesome is that?

There's also \$200,000 in free sponsorship credit up for grabs. There is so much to fundraise for, so get started on the 8th of September by creating your online fundraising page.

But that's not all! On Friday the 17th of September we will be running our Colour Explosion School Fun Run! It's going to be a really fun day, so make sure you're here. You also need to wear a WHITE shirt for the Fun Run, to make the colour extra bright. But your teachers will remind you closer to the day too so you don't forget!

This will be lots and lots of fun, so make sure you get excited! Happy fundraising!
