From 9.30am onwards...

- ✦ You are now required to complete your two core subject activities assigned to you for today. It is expected that this will take approximately 2 hours.
- ✦ Once you have completed each activity, submit your completed activity to your assigned teacher via Seesaw.

Please note:

- ✦ At 9.30am your Parent & Carers will receive a text message to confirm that you are engaging in online learning today at home.
- ✦ You can complete your two core subject activities at a time suitable to you and your personal circumstances throughout the day.

If I have completed the two activities for the day

- ✦ Visit your House Page on Seesaw and engage in a Flourish or Foxwellness Activity. There are some great activities to choose from including activities from Japanese, the Arts and Technologies (updated every Monday) & from Healthy World (an activity for every day!).
