

ASSESSMENT CALENDAR

Due to the nature of our learning this term, all assessment will be completed on line and will be compiled as a portfolio of work for each subject. Each item within the portfolio will provide evidence of a student's attainment of different aspects of the achievement standard. Students will not receive individual results for each portfolio task but will receive a result for the portfolio as a complete package. It is important that ALL portfolio items are submitted as per the schedule below and as indicated on task sheets and lesson instruction.

Week	Monday	Tuesday	Wednesday	Thursday	Friday
1. 20.04					
2. 27.04	Physical World Science: Task 2.5				Social World English: Task 4.4
