

**FOXWELL STATE
SECONDARY COLLEGE**
IN SCIENTIA OPPORTUNITAS

Dear Parents and Carers,

I am writing to inform you that I was recently notified of a positive test result for COVID-19 within our school community.

Please be assured that our school has been taking all appropriate precautions regarding health and hygiene and we will continue to act in accordance with the advice of Queensland Health. We are working closely with the public health authorities and the Department of Education to ensure the health and safety of our students and staff.

If you or any members of your household develop symptoms or feel unwell, please get tested immediately and stay home and isolate. Further information including testing centres, alerts, and symptoms of COVID-19, can be found via the Queensland Government website <https://www.covid19.qld.gov.au>

I believe that the partnership we share as a school community means that it is important to keep everyone informed in order to minimise concern.

If you have any concerns, please contact the school on PH: 07 5555 3333 or via email admin@foxwellssc.eq.edu.au

Thank you for your continued support.

Yours sincerely,

Kym Amor
Principal

Foxwell State Secondary College
