Working together to support school-aged students on the autism spectrum
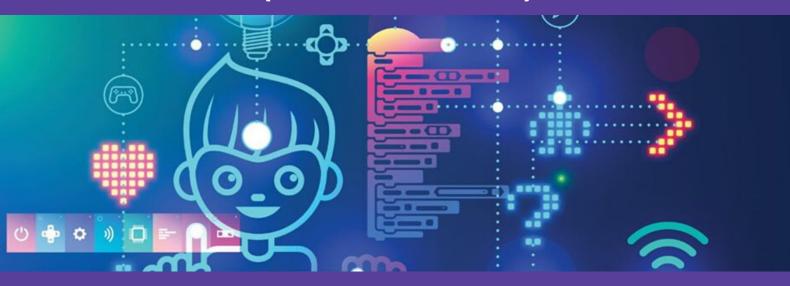

## FREE WEBINAR
## TECHNOLOGY & ONLINE LEARNING WEBINAR (SECOND VERSION)

*Be part of an interactive hour where you get the opportunity to listen, share and learn with parents/carers, teachers and others who support individuals on the autism spectrum.*

**This is the second version of our Technology and Online Learning webinar. We have added new resources and ideas since the first version of this webinar. In the current climate there is a significant shift to online learning and supporting students educational outcomes via a range of technologies. In this webinar you will hear about:**

- Ways that online learning is connecting classrooms and the home environment
- Creative ways for teachers, students and parents to work collaboratively using different platforms
- Digital tools that connect with different strengths and interests our children have
- A range of ways to use technology to inspire new approaches to learning
- Autism education specific timetable and study tools to help organise the day

There are three different session times to choose from.
**Monday 11 May, 2020** – 10:00am AEST
**Wednesday 13 May, 2020** – 7:30pm AEST
**Thursday 14 May, 2020** – 1:00pm AEST

**All of our webinars are free and participants that attend receive a certificate following the completion of the webinar.**
