

1st March 2022

Dear Parents/Carers,

As you are aware our community is experiencing flooding in our local area.

I hope that everyone remains safe and acknowledge that this is a difficult time for many of us. Families are encouraged to tune-in to local media, monitor weather conditions, heed the warnings and follow instructions from emergency services.

Especially now - Remember, "If it's flooded, forget it".

Our College will be open tomorrow, 2nd March. Whilst this is good news, we would like to remind everyone to stay safe.

If the impact of this weather event poses a danger to your child travelling to school, please contact our school absence line as soon as possible to advise us of your child's absence.

If you have any concerns or require additional support, please contact the College.

Please be aware that absences due to emergencies and natural disasters will not be recorded on a student's report card.

I would like to acknowledge that at the time of this letter going to print that the School Closures website does not yet reflect our open status for tomorrow. Please be assured however, that we will be open tomorrow for all students who can safely transit to and from school.

We will continue to provide information to families, via Schoolzine Bulletins and through Facebook as it becomes available or if there is any change in advice from Queensland Government. There are also many excellent resources on the Queensland Government [Get Ready Queensland](#) website that serve as a checklist for our homes, travel arrangements and our personal safety.

Thank you for your ongoing support and please stay safe.

Regards

Kym Amor

Principal
