

## Introduction

As part of Foxwell State Secondary College's commitment to providing a safe and supportive learning environment for all members of its community the College has adopted a student dress code which reflects the College community standards and balances the right of individual students with the best interests of the whole College community. The school uniform is viewed as integral in encouraging a sense of self-esteem, belonging and self-discipline in our students.

## Relevant Legislation and Policy

This policy has been developed in accordance with the Education (General Provisions) Act 2006 (Sections 360-363) ["The Act"], the Department of Education and Training policy SMS-PR-022: Student Dress Code and Sun Safe Strategy in relation to implementing student dress codes in Queensland State Schools. It explains and documents the standards of acceptable dress at Foxwell State Secondary College.

A copy of the Uniform and Appearance Policy is provided to parents at the time of enrolment as part of the Enrolment Agreement and after periodic revision.

The Foxwell State Secondary College Uniform Policy was endorsed by the school Uniform Committee on 10 June 2019.

## Expectations of Foxwell State Secondary Students

In accordance with this uniform policy, students are to wear the formal uniform or sports uniform (only on timetabled or approved days) when attending school, whilst travelling to and from school or when engaging in out of school activities. Students are to wear the formal uniform for all formal occasions such as excursions, public appearances, awards nights, school photos or other school functions as specified.

Consistent with this policy students are required to present at school in a neat and tidy manner at all times. By adhering to the Uniform Policy our students continue to promote a positive image of the school to our local community and demonstrate that the school has high expectations of its students.

Whilst this policy seeks to assist students and parents by identifying requirements and expectations for as many uniform and appearance items as possible, it should be noted that where a student's appearance and/or uniform may not be in keeping with the spirit of this policy and the school and communities values and expectations a conflict resolution/mediation process involving the student, parent/caregiver, Principal and a P and C Representative may occur.

## **Out of Uniform Procedure and Consequences**

Not wearing the uniform correctly is a breach of the Uniform Policy.

- Prior to the commencement of the school day any student out of uniform is required to report to Student Services. If the student has a note from the parent/caregiver the Leadership Team member may excuse a temporary inability to comply with the Uniform and Appearance Policy.
- In most circumstances students may be offered appropriate items from the bank of spare uniforms held at the School for this purpose.

If a student does not attend Foxwell State Secondary College or school related activities in the correct uniform, Education Queensland Policy (October 2006) fully supports the Principal or nominees in the following actions:

Students who fail to follow correct procedures or who do not present documentation from Student Services regarding alternative arrangements will have one of the following sanctions imposed:

- Complete a 20 minute detention during school hours or after school hours. Parents/caregivers will be notified prior to any detentions occurring after school; or
- Be prevented from attending or participating in any activity for which a student is representing the school; or
- Be prevented from attending or participating in any school activity that is not an essential school educational program.

If the student persistently fails to wear the correct uniform, appropriate conflict resolution/mediation on strategies are used with parents/caregivers, the student, P and C Representative and School's Administration present. Where a student wilfully and deliberately chooses not to adhere to the Uniform Policy and do not qualify for an exemption their actions may breach the school's Responsible Behaviour Plan.

## **Exemptions**

The exemptions to this policy include students whose physical impairments prevent their ability to conform to the Dress Code or students whose families have religious or cultural grounds for conscientious objection. Grounds for non-compliance with the student dress code will be considered on a case-by-case basis by the Principal.
