

# ELEVATE

Everyone Lift to End Violence and Target Education

## DOMESTIC & FAMILY VIOLENCE PRIMARY PREVENTION PROGRAM

A whole of class program targeted at High School students.

Teaching students to expect respect, and give respect in their relationships.

Delivered by experienced QLD Police Officers & QLD Blue Light facilitators.

### EVERY YOUNG PERSON IS AT RISK OF DOMESTIC AND FAMILY VIOLENCE

ELEVATE is a primary prevention program designed to empower emerging generations to make better life choices in their relationships and potentially halt the escalation of D&FV in today's society.

Delivered in schools all across Queensland, the program will educate young people of the social, personal, physical and emotional harms caused by Domestic and Family Violence.

Participants will be given practical advice on identifying the various forms of D&FV, appropriate responses to D&FV and how to seek help for both perpetrators and victims.

### PROGRAM OBJECTIVES

- Designed as an all inclusive, whole of class program.
- Students will learn to identify various forms of D&FV.
- Develop tools to respond appropriately to D&FV.
- Advice on seeking help for victims and offenders.
- Build resilience and confidence in students to expect and give respect in their relationships.

### PROGRAM DELIVERY

- Sessions are delivered by experienced QLD Police Officers and QLD Blue Light facilitators.
- All sessions are held at school, within school hours.
- Sessions comprise of educational and interactive sessions.
- Sessions include healthy snacks & refreshments.
- 6 hours of content delivered over 4 sessions.
